Our friendly staff can advise you on the best auger for your purposes

About Bosmac

Bosmac is a family-owned business based in Parkes, NSW, in the heart of the grain belt.

Since 1981, Bosmac has been designing, engineering and manufacturing quality products for Australian conditions.

Bosmac is proud of its reputation for providing quality, reliable products at competitive prices along with personalised service.

Optional Extras

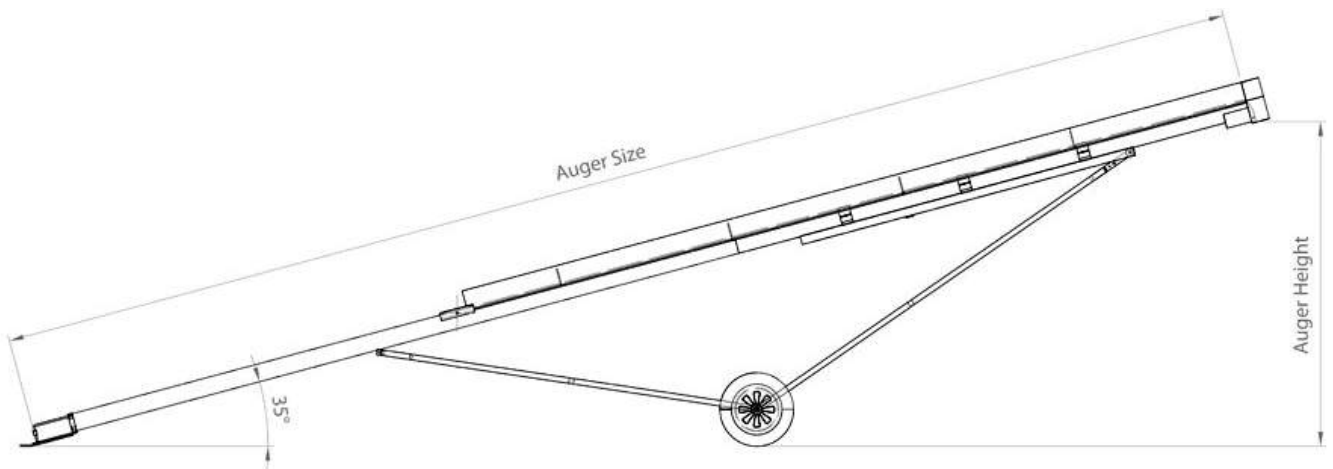

- 12-volt electric motor
- Pulleys and belts for electric motor
- Flexible spout 0.6m (2ft) with adaptor
- Adjustable stand with pneumatic tyres
- Steel hopper with guards
- Choke

Bosmac manufactures auger systems and roller mills to complement its range of pencil augers.
